

**Let Marriage Be
What Marriage Is
– YES on 102!**

In Massachusetts, California and Connecticut, judges have spoken for the people, decreeing that marriage is no longer exclusively the union of one man and one woman. Could that happen in Arizona? Absolutely – unless we define marriage in the state constitution the way God does.

It's time to defend marriage! Proposition 102 doesn't make anyone second-class citizen; it simply states the truth about marriage – one man, one woman, one lifetime together. God established the institution of marriage, and He didn't ask the advice of judges because He didn't need to. On Nov. 4, put marriage out of the reach of activist judges by **voting YES on Proposition 102.**

**Protect Marriage.
YES on Proposition 102!**

On Proposition 200 – Arizona Can't Afford Not To

Today's fragile economy has many Arizonans teetering on the brink of financial ruin. So why are payday-lending stores fighting for the right to charge up to 391 percent interest on their loans? It's easy - because it makes them richer.

Proposition 200 would stop the reign of the payday-lending industry on vulnerable Arizona citizens - stopping them from charging up to 391 percent for a short-term loan. If you're tired of modern-day loan sharks charging usurious interest rates to our most vulnerable citizens, **vote NO on Proposition 200.**

391% is too much!
Vote NO on Prop 200.
