

**Let Marriage Be
What Marriage Is
– YES on 8!**

This May, four justices of the California Supreme Court spoke for you, decreeing that marriage is no longer exclusively the union of one man and one woman. Ignoring an overwhelming vote of the people in the year 2000, they substituted their wisdom for God's.

It's time to defend marriage! Proposition 8 doesn't make anyone a second-class citizen; it simply states the truth about marriage – one man, one woman, one lifetime together. God established the institution of marriage, and He didn't ask the advice of judges because He didn't need to. On Nov. 4, tell the Supreme Court it made a mistake on the issue of marriage by **voting YES on Proposition 8.**

A Matter of Life & Death

**Support
Proposition 4!**

The abortion industry wants you to believe that Proposition 4 puts the health of thousands of teenage girls at risk. It doesn't. It simply ensures that parents will be involved in their daughters' health-care decisions, by requiring doctors to notify a parent 48 hours before an abortion is performed. Given the gravity of the decision to take a human life, what could be more reasonable?

Don't buy the lies of Planned Parenthood and others who profit from abortion. Vote Yes on Proposition 4; it will ensure that girls get the advice and the support they need before making a life-and-death decision.
